

Volunteer Opportunities for Adults and Youth!

Children and Youth Religious Education Program (CYRE) 2011-12

UUCM's CYRE program is fee-free thanks to adult and youth help. Most classes require a team of three people per term teaching 2-3 Sundays a month. The 8th/9th grade Our Whole Lives sexuality education class (OWL) and Senior High teams are potentially larger as year-long commitments with the exception of the January interim. Mark several preferences and rank them if desired. Thank you for your support! There are no classes on the monthly Sundays with multigenerational worship services so that we may join together in celebration and worship.

PLEASE USE ONE FORM PER PERSON.
