### Adult Volunteers Needed for Youth Group!!

We are looking for any adult interested in having fun!! This summer, I will be working on making sure the youth group has enough adults at each event, so that the volunteer coordinating will be done before the school year even starts. If you are interested in donating one Wednesday night sometime between September and December, please contact April at [april@mninter.net](mailto:april@mninter.net) or 612-816-6236. Thanks!
